When Shadows Play  
**My Poem**  
You did not know I watched you  
As we watched the late night show  
And thought I saw upon your face  
The first shy blush of death  
In the flickers of the TV light:  
My guilty thought one day soon  
Could it be that one day I  
When shadows play across this room  
I'll look how I watched you there.  
Remember how I did not know  
And wonder that I loved you so?
