

Title Muse

All around the museum
Faces stare at me.
Some look as lost as
I am.

by
S. McCraw

Titanic
Float: none;

by

My Poem

When a wolf came I showed a
tree and I ran away and I found
a home and pigs lived in there!

by
Aunie

My Poem

We were fortunate to have him teach us but
unfortunate he left. He left the
world to quick but I guess
he had something
we ♥ u sur "♥

by Diana

Stars tonight
My Poem

the stars tonight will
shine bright and the
sky tonight will light up
bright
shine
millie

Title DOLPHIN Whisperer

Oh, the beauty of dolphins, how they shimmer.
As they glide through the water, how they glimmer.
The water slides off their graceful backs,
leaving glistening, bubbling tracks, Oh, the
beauty of dolphins!

by
Maisey Baker

Title Science

Amazing Topic
Love it
Science is everything

My Poem

I love animals
I will never give them up
I have my own ~~pets~~
and I have my own pets
I have my own dog
and also chickens.

by Trisean

My Poem

Sometimes I am shy Sometimes I just want to be alone
my face is always cramp up with tears
now wonder i have now frearids.

by Shannon Caven

My Poem

to the power

by

Title

Science

Science is everything. we're surrounded by science everyday you, me, them I were all biological and chemical buds up. Always be thankful that we have thousands of cells as well as organs as best of all. our brains to keep us going day in day out.
